Consent for Integrated Transition Planning

The Integrated Transition Plan is a coordinated, community plan developed by schools and community agencies in collaboration with the young person with developmental disabilities and his/her parent/guardian. This plan will help the young person transition from secondary school and child-centered services to adulthood.

The following agencies in Durham Region are partnering with *(Name of School Board)* to assist in the Integrated Transition Planning:

- Community Living Oshawa/Clarington
- Community Living Durham North
- Community Living Ajax, Pickering, Whitby
- Christian Horizons
- Coordination Services For Children and Youth-Durham Region
- Durham Family Respite Services
- Kerry's Place Autism Services
- Frontenac Youth Services
- Grandview Treatment Centre
- Participation House
- Region of Durham – Adult Community Support Services
- Resources for Exceptional Children and Youth

In order to prepare for Integrated Transition Planning, we require your consent to have community services involved.

- Yes, I wish to have community services involved. I consent to have the school contact *Community Living – Oshawa Clarington* as the lead agency.
- I currently have a community service provider. Please contact
