Subject: COVID Positive occurrence

Board members,

I have been advised of a person served residing at the Kildeer residence who has received a COVID positive test. Janice will provide us with additional details at the Board meeting this evening.

As well (I hope he does not mind me letting you know) Mac Moreau received a COVID positive test yesterday and is waiting for the results of his family members testing. I am sure Mac will give us an update tonight.

Let us send positive thoughts and wishes of recovery for both.

Regards,

JC
