Subject: CLOC COVID-19 May 1 Board Report

Board members,

Further to our de-briefing meeting yesterday, (Terri, Janice and I) attached is the May 1 Board Report and Tracking Spread Sheet.

At Frank's suggestion we have added a column to identify the number of people served at each location and the number subsequent staff to provide a better perspective of numbers tested and results.

We have added another category for the SDL (Supported Independent Living) program, as there is now one person served by CLOC with symptoms who was tested.

Please advise me if you have any questions or concerns.

Best regards,

Jean-Claude (JC) Legault
President - Board of Directors CLOC
