Board Members,

Please review the attached COVID Board Report with the latest update.

Also the COVID testing and tracking spreadsheet. Items in locations that have changed from last week are highlighted in yellow, the most current update is **bolded** in the remarks section.

Further to the last email December 21, 'Summary of existing Covid Cases', there is one change; the test regarding one staff member at the Holt Road residence is a negative result.

We will provide you with continuing updates as situations change, particularly with locations with "outbreaks".

regards,

JC Legault
